

Scio Township Fire Department

Permit for Prescribed Burn

You may email your completed application to: fire@sciotownship.org. Prescribed burning is permitted provided that the burning is in compliance with a prescription, and to meet planned fire or land management objectives of a continuous cover of fuels. Prescribed burns must be done in compliance with part 515 of the natural resources and environmental protection act, Public Act No. 451 of 1994. A written permit for prescribed burning is required. The following conditions must be met by the applicant prior to issuance of a prescribed burn permit:

- The landowner or his or her designee has specifically consented to the prescribed burn
- The requirements of section 51503 of PA 451 of 1994 are met
- There are adequate firebreaks at the burn site and sufficient personnel and firefighting equipment for control of the fire
- A certified prescribed burn manager is present on site with a signed copy of the permit, from ignition to control of the fire
- The permit is accurately and completely filled out by the applicant and returned to the fire department no earlier than 14 days prior to the proposed prescribed burn
- A map of the proposed burn is included in the submittal of this application
