Summary of Meeting Items and Action:

PRE-APPLICATION MEETING SUMMARY:

Site plan review will be required for this development.
- Parker & Jackson Road Residential Development – 198 single-family residential unit development with single-family lots and a traditional condominium development. Access from Jackson and Parker Roads is proposed. This development will be submitted as a Planned Unit Development.

PENDING PROJECTS:

- **Knights of Columbus Preliminary PUD, 3991 Dexter-Ann Arbor Road, vacant parcel:** Proposed preliminary planned unit development (PUD) application for the former Knights of Columbus campground property located at 3991 Dexter-Ann Arbor Road for a detached, 47-unit single-family residential development. The development is located on the south side of Dexter-Ann Arbor Road between Wagner and W. Delhi Roads. The subject site encompasses two (2) properties containing 47 acres of vacant property containing woodlands, an open water pond (wetland) and steep slopes.

Since our last reporting on this item, the applicant has submitted a revised “hydro-geo” study on the property that is under review by Dr. Lemke. As this item was recommended for denial by the Planning Commission the next step in the process will be placement on a BOT agenda. **(No change since last report.)**

*Pending Action: **This item will be placed on an upcoming Township Board Agenda. No date has been set.** This item was recommended for denial by the Planning Commission.*

- **Arbres Grove Site Plan – Vacant Parcel:** The application proposed is a (35) thirty-five-unit townhome development located in Section 27, south of Jackson Road on the east side of Zeeb Road, between Park Road and Polo Fields Drive. This project received a recommendation of approval from the Township Planning Commission and is currently in the “Detailed Engineering” stage of review. There have been a number of engineering issues that the applicant has been working on with the Township Engineer. Several engineering plan submittals have taken place since the Planning Commission’s recommendation of approval.

On August 2, 2023, the applicant resubmitted plans for review of the Township. It is likely that after this review the Arbres Grove site plan will be ready for review by the Township Board.

All engineering issues have been addressed and this item is scheduled for consideration at the September 10th BOT meeting.

*Pending Action: **Consideration scheduled for September 10, 2024 BOT meeting.***

- **Crossroads Final PUD Plan:** The Crossroads multiple-family rental development is located at the southwest quadrant of Liberty and Wagner Roads.
